

**INSTRUCTIONS**

**Initial Fitting:** Please print and take this form to your local formalwear company or tailor to be measured. Most companies provide complimentary measurement service. **Do not measure yourself. A proper fitting is based on the quality of the measurements taken.** Please don't substitute your suit sizes for a professional fitting. Please bring this form when you are measured and ask the specialist to complete the appropriate information.

**Submitting Measurements:** Visit [tuxedojunction.com](http://tuxedojunction.com) to submit your measurements online with your specific information. Please note: a **\$75 deposit is required to process your rental.**

**Final Fitting:** You will try on your outfit on your scheduled pick up date, usually two days prior to your event. A specific pick up date can be provided to you via email or by speaking with one of our consultants. This is considered your final fitting, and adjustments or replacement garments are occasionally needed. Please allow enough time for your final fitting so that we may provide the best fit for your outfit.
